Subject: Interim Spending Resolution

A resolution is required to permit expenditure of all funds between July 1 and the adoption of budgets by the Board of Education. This request is to authorize expenditures at the same level as previously approved for the 2018 – 2019 school year. Recommending a resolution at this spending level allows the administration to continue spending while the developing final budgets based on the adjusted 2017-2019 Biennial State budget by Session Law 2018-5 (formerly Senate Bill 99).

RESOLUTION: Be it, therefore, resolved that the Thomasville City Board of Education authorizes an appropriation of funds at the same funding level as 2017 – 2018 for the purpose of paying salaries and usual and ordinary expenses for the period of July 1, 2018 until adoption of budgets for 2018 – 2019 on September 4, 2018.
