

ORGANIZATION OF THE PURCHASING FUNCTION

Policy Code:

6410

The superintendent shall organize the purchasing function in a manner intended to meet the purchasing goals of the board. The purchasing function includes the following responsibilities:

1. making purchases for all departments in accordance with applicable laws and regulations, including the requirements of the State Division of Purchase and Contract when applicable, board policy, the superintendent's directives, good purchasing practices and ethical principles;
2. establishing and enforcing a system for approving and accounting for purchases;
3. maintaining appropriate records on price quotations of supplies most frequently purchased;
4. maintaining other supplemental data to assist in making purchases at the most economical prices possible;
5. maintaining NC E-Procurement compliance and making purchases through the E-Procurement Service to the extent appropriate to maximize savings and efficiency in the purchasing function;
6. establishing a practical degree of standardization of equipment and allowing sufficient flexibility in purchasing of supplies and materials to meet unique needs of schools and departments;
7. operating all E-rate procurement processes based on federal E-rate rules and regulations;
8. supervising the receiving of all materials, including establishing procedures to ensure received goods are properly inspected, counted and documented;
9. maintaining lists of potential bidders for various types of equipment;
10. providing information regarding bidding opportunities to vendors;
11. providing information and service to schools and departments that wish to make purchases; and
12. maintaining current information on all applicable laws, regulations, board policies and administrative procedures.
