TCS - Grades PreK-5

Options for Plan A Return (M-Th F2F option ...F = remote for all)

Date	Rationale	Pro/Con
March 16	Beginning of 4th Quarter Natural "break" / fresh start Follows a workday on 3/15	2nd vaccine is 3/20 Short Week
March 22	All interested employees would have had the 2nd shot	30% of folks have side effects...might we have a number of absences this week?
March 29	Well past the point of side effects from the shot..."incubation period" for shot to full kick in	Week before spring break (short week - Holiday on April 2 for Good Friday)
April 12	After Spring Break	Travel concerns? Later in the year?
