Partnership for TCS & Davidson County Public Library

TCS & Davidson County Public Library Partnership

Vision:

TCS and the Public Library can work together as educational partners, with the Public Library serving as an extension of the classroom—providing **students** with **access to books, computers, reading programs, and dozens of other important educational resources** during out-of-school time. Additionally, both organizations have aligned around a **focus on literacy** and are committed to creating a community of readers, empowering individuals with free access to information, building a welcoming place where reading, learning and imagination thrive, maximizing academic achievement, and preparing every child to lead a rich and productive life.

Both TCS and the Public Library understand that such services shall be provided at **no cost to TCS**.

Program Highlights:

- Program Coordinators: Jennifer Buck, TCS & Ruth Ann Copley, Davidson County Public Library
- Streamline student access to databases and materials by integrating TCS Student ID numbers and Public Library accounts through this StudentAccess initiative, allowing every student in TCS Schools instant access to Library databases and materials.
- FERPA met through “school official” designation
- Program is in Year 3-see *map*
- DCS & LexCS are participants
- [State presentation](#) to Media Directors
