Notifying the BULLDOG NATION

Excellence • Diversity • Unity • Pride

PAREN ENGAGEMENT

Family participation in education is twice as predictive of student academic success as socio-economic status

Older students are less likely to drop out of school when their parents remain involved

Students of involved parents have fewer attendance & behavior problems.

Students with highly involved parents can experience learning gains in reading & mathematics

Students whose parents know about higher level programs, like AP classes, are more likely to enroll in them

NOVEMBER 17, 2022
NATIONAL PARENT ENGAGEMENT DAY

♡♡ Thank You ♡♡
for being a

Phen  mental
