2019 Summer Feeding Program – Superior Site Award

Wow, look at us...

For the 2019 Summer Feeding Program, Liberty Drive Elementary School served approximately 350 meals to students each day from Monday to Saturday.

We gained and maintained participation by serving a lot of the kids' favorites like nuggets, pizza, hotdogs, and cheeseburgers. The kids really enjoyed coming out eating their lunches..

The kids sometimes show appreciation by giving the drivers thank you cards.

Rotary Club

Our community partners and volunteers

The Rotary Club volunteered to help us with fruit and vegetable bags for the families on our routes.

The Rotary Club prepared over 300 bags for the families on the routes. The parents and the kids were really grateful for the bags. In the bags, the families received apples, squash, cucumbers, carrots and sweet potatoes.
