Summer Feeding Program – Superior Site Award

2019

About us...

For the 2019 Summer Feeding Program, Thomasville Middle School served approximately 400 meals to students each day from Monday to Saturday.

"God bless you all for what you do, you all are a blessing." Ms. Wilson-Little

We do more than just feeding students...

Some of the drivers collected donated items like small toys, stuffed animals, and stickers to give out with each plate. Stickers were a HUGE success!

Taking care of our community!

WE ARE A FAMILY

"I thank you so much for feeding these children in this community. Some families depend on you all. You all are a blessing and you really don't know the conditions some of the kids live in." Elaine Lee We go above and beyond to help our community. When families are without basic supplies, we try to help when possible!

Celebrate the special occasions!

EVERYONE DESERVES TO FEEL SPECIAL

On an upset little girl's birthday, she knew she wasn't getting presents or a party. The driver decided to make her day special by giving her birthday surprises after work.

"My kids look forward to seeing you come by each day, they can't wait for the food lady, as they call you." S. Lozalozana
