

Scholar Time Intervention and Enrichment Block

What is Scholar Time?

During Scholar Time, students are working directly with a teacher on a specific skill that they need support in.

These groups are reevaluated every 4-6 weeks, and students are moved according to the skills that are needed.

How are Scholar Time groups
formed?

Istation, District Benchmarks,
CKLA

How does Scholar Time Work?

Goal: Each grade level K-3 have 1 hour of intervention or scholar time. (Remediation / Enrichment)

- All staff EC, ESL, and Teacher Assistants will push into one grade level at one time.
- Monday, Tuesday, Wednesday is for Reading and Thursday and Friday are for Math.
- Challenges
 - Average of 10 classes per grade level
 - After Scholar Time, Specials, Lunch and Recess only 4 hours of instructional day left.
 - Teacher assistant schedules: in all Scholar times as well as small group reading with a teacher at each grade level.
 - PLC's during the day and creating half day Data sessions.
