

## Thomasville City Schools

## Athletic Supplements and Stipends Scale – High School (20-21, 21-22, 22-23)

Position					
Athletic Director - HS	\$900 (monthly x 12 months)		Documented experience in the position means experience as that specific position. Assistant coach experience does not count as head coach experience.	A head wrestling coach who has 10 years of head wrestling coach experience gets experience credit for being a head wrestling coach.	They would not get experience credit if they become a first time head basketball coach. An assistant coach "starts over" if they become a head coach.
