

Virtual School interest for 21-22:

*3rd: 8
4th: 5
5th: 3
TPS/LDS: 16*

*6th: 8
7th: 8
8th: 6
TMS: 22*

*9th: 10
10th: 4
11th: 9
12th: 3
THS: 26*

196 completed the survey after 2 announcements from our office and additional communication at the school level.

These small numbers would make it virtually impossible to dedicate teachers specifically to virtual learning given current allotments and no allotment increase.

It would be my recommendation to discontinue a virtual only program given the low numbers.
